

AM I DOING ENOUGH FOR GOD?

PHILIPPIANS 2:12-30

How has God spoken to you through this passage of the Bible? What stands out to you as an encouragement or challenge?

What does it mean to:

- work FOR your salvation?
- work AT your salvation?
- work OUT your salvation?

What does God do to grow you in godliness and equip you for good works and service? (see 1 Corinthians 12:6; 15:10; Galatians 2:8; Ephesians 2:8-10; Philippians 1:6; 2:13; Hebrews 13:21)

godliness is being...
a maestro on the instrument of God's grace

Who sets an example for you in working hard at godliness? What do they do that stands out for you?

What's one area of godliness you need to refresh with God's grace and help?
