

Make Sunday the best day of the week in your home

Making the most of New Life Kids @ Home... in your home

This material is provided to support New Life parents in home discipleship of their own children if you have to be away from our usual Sunday family ministries we do in partnership.

Discipleship of children starts in the home.

You might already have a plan for reading the Bible and praying with children in your home. These resources can be used to complement that or to get you started.

You are not alone.

There is encouragement and support for every parent - just chat to your Life Group leader, an Elder or Pastor. We are here to help one another along.

Term 3 2021 is an overview of Genesis with a focus on Joseph. Through this we see that God makes and keeps his promises. This has some overlap with the current sermon series: I WILL | Genesis 12-50

The Lord our God, the Lord is one. Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.
