

## **LESSON SIX**

DATE 28 November

THE PROPHETS // Here's the Sign You've Been Looking For! (Hebrews 9:26)

This guide is to lead families through talking about ISOLATION and how it can keep us looking out for Jesus... like the OT prophets were.

Not being able to see grandparents; being sick all alone; keeping our distance from each other to stop the spread of a virus. All are signs that shout out to us that life is not meant to be lived in isolation. In this episode, Stephen takes us on a short tour of ancient quarantine rules to discover how little has changed for thousands of years. Skito shows us how we too can be a force for change amidst all the disruption, while Anton sets up the show by poking fun at all the crazy things going on through an original, 'ISO' rap he's made.
